Dedication

DR. H. W. HURT

For outstanding contributions to Stetson University as Director of Admissions, and for his never failing interest in all students, we are proud to have the privilege of dedicating the 1956 HATTER to Dr. H. W. Hurt, a man whose warm smile and kindly actions have enshrined his memory in the hearts of hundreds of Stetson alums . . .

Administration personnel mesh
all departments and all
students into a unified,
cooperative body, striving
toward a common goal,
bearing many responsibilities
in the process.

Administration

THE ADMIN

Once again, you have demonstrated that Stetson spirit has faith in the future!

After the Christmas fire of 1951 had destroyed our only dining facility, I asked you whether you wished the dining room immediately rebuilt with the fire insurance receipts or whether you would be willing to wait for funds to be raised for a dining room large enough for our increased student body. With one voice, you said you preferred to wait for a larger Commons. Within a few months, sufficient funds were in hand to build this new Commons. But, something else had happened by then. By this time, you were making light of the inconvenience of standing in lines outdoors while waiting to get into the basement of the Men's Gymnasium to a hastily-improvised, temporary cafeteria, and you were dreaming of something more than a Commons. You talked about a Student Union Building which would be the center-piece of the campus—a building in which all the students could center their social and recreational activities, with dining facilities occupying only one portion. Without a dissenting voice, you urged that the money we had accumulated not be used now to build a separate dining hall, but that additional funds be sought to finance the larger project tomorrow.

Two years may not be very long in the seventy-three year life-span of an institution. But, it is a long time for students of one generation to suffer inconveniences in order that students of another generation may have a richer college life, and so, in the name of future Stetson men and women who will enjoy all the pleasant experiences to come with the new Student Union Building, I salute the students of 1955 and 1956 and say: "Thank you. Once again, you have proved that Stetson spirit has faith in the future—faith that the best days of Stetson are ahead of us."

LIBERAL ARTS

The College of Liberal Arts is the oldest and largest of the four university colleges. Elizabeth Hall, Flagler Science Hall and Holmes Hall comprise the classroom area. While attending Stetson, every student comes in contact with the Liberal Arts School. It is the core of the education of every student, from the business student to the music or law major. The Liberal Arts prepares students to enter the world to earn gainful employment and instills them with a permanent love and appreciation of the arts, letters and sciences which surround us. This in itself gives an added enjoyment and enrichment to our lives.

BUSINESS ADMINISTRATION

The School of Business was established in 1910. It is housed in its own building on the main campus. The college graduate entering business without special preparation suffers a handicap; similarly one who confines his study to business is handicapped. The program of the School of Business, therefore, is a combination of academic and business subjects. The Faculty endeavors to cultivate in students those qualities of mind and character that will make useful citizens with high ideals of business morality and social responsibility. Students are encouraged to acquire a clear understanding of modern industrial society and of their responsibilities and opportunities in it.

SCHOOL OF MUSIC

The Stetson School of Music is a member of the National Association of Schools of Music. There is a preparatory department for children and for students whose previous training has been insufficient. The School is housed in DeLand Hall and Annex with separate facilities for the bands and the orchestra in the Band Hall. PROPOSED

ADMINISTRATION

The College of Law was founded in 1900 and it has the distinction of being the oldest law school in the state of Florida. It was located in DeLand until the summer of 1951. At this time the College was moved to a new ten-acre campus in the Gulfport section of St. Petersburg, Florida. The new location provides ready access to the courts, agencies, and all institutional facilities of the entire Tampa Bay metropolitan area, the largest concentration of population in Florida. The buildings themselves are representations of Spanish architecture, complete with a replica of the famous Golden Tower of Seville. The study of law is a twenty-four hour a day process and the air of fine living on this campus provides a good atmosphere for the study that is required for prospective attorneys.

THE SENIOR CLASS

During our four years here at Stetson, the Class of '56 has seen many changes. Probably the most drastic was the fire of "undetermined origin" that destroyed the Commons building in our Junior year when we were vacationing at home during Christmas. We have seen the erection of five new dormitories for the men and North Hall for the women. One of our last and biggest surprises was the announcement that plans for the \$1,000,000 Student Union Building were complete and that we may hope to see it standing not too many homecomings hence when we return as "old alums."

As the years pass on we shall forget much that has happened during our tenure here, but some memories will last throughout. With the last notes of the Recessional sounding in our ears, we put away our caps and gowns, realizing that this is it, and we are Seniors no longer.

THE JUNIOR CLASS

In three years we have watched our class diminish in size but grow in knowledge. From the first days as freshmen when we started our course in "Campusology 101" to the day we viewed the charred remains of the Commons and realized what we would miss and what college days meant to us and until the day we watched the Seniors march in to their own Processional and realized that next year it would be US, we experienced the many joys of campus and college life. As we look forward to the coming years it is with a certain amount of sadness at the thought that only one year remains.

THE SOPHOMORE CLASS

No more the green freshmen, we settled down to the routine of Stetson-life and waited for the "Sophomore Slump." Somehow we forgot about it when we started meeting the new freshmen — feeling *so* much older by doing so — and greeting our old friends. For the last year we ate in the Commons, now a temporary arrangement in the basement of the Men's Gym, but for several more years we will enjoy the sound of serenades ringing out through the night, and the sight of the fountain on our trips to the library and through the Forest of Arden.

THE FRESHMAN CLASS

From high school senior privileges to rat caps in one big leap, we, the freshmen, have come to Stetson from all points of the compass to become a vital part of the college way of life. With a new life of Rush, D-lists, probation, studying, dorm life, fraternity and sorority weekends, with wearing Bermudas and knee socks on Saturdays and making sunny trips to DeLeon Springs and to Daytona as highlights of weekends and afternoons after classes, we have nevertheless looked forward to next year when we could feel that we *really* belonged by laughing at "those green freshmen."

The Forest of Arden overflowed with people and food as hundreds turned out for the traditional barbecue.

THE FORWARD LOOK

Homecoming, 1955, will be a memorable event for thousands of Stetson students, alums, professors, and friends. From the opening of the curtain of "Sabrina Fair" to the last strains of "Goodnight Sweetheart" played at the Serenade by Brad Bradway's Orchestra, we all have pleasant memories.

Saturday dawned on various reunion breakfasts, including the traditional President's Breakfast, a satisfying football game which resulted in a 25-0 victory for the Hatters, sorority and fraternity open houses, alumni meetings, and the formal Serenade at the Armory.

The Homecoming Parade was omitted this year but a new feature, the Homecoming Court, was added. Representatives of the Greek organizations and the Independents were chosen by the student body and they reigned with the Mayor and Hostess over the Serenade.

Between halves at the game, trophies were presented to Sigma Nu for first place skit and first place lawn decoration; Delta Delta Delta, second, skits; Alpha Xi Delta, third, skits; Lambda Chi Alpha, second, lawn decorations, and Pi Kappa Phi, third, lawn decorations.

Homecoming royalty, Joanne Motes and Morris Foster, receive gifts from Ralph Chandler, S. G. A. President, and present trophies to contest winners.

Looking forward to "You Are There, 1969" were the Sigma Nu's whose skit captured a first place trophy.

STUDENT HANDBOOK

THIS LITTLE BOOK which guides freshmen and upperclassmen alike is an important Stetson publication. Serving as editor of the 1955-1956 Handbook was Paul Kercher.

The long battle is done now . . . deadlines, headlines, cut-lines, proofreading problems, last minute changes and late hours are all memories and the only thought that remains is: "This has been a good year."

We of the REPORTER especially feel that this has been a good year, for we have watched and reported the growth of Stetson. We have covered the big and the small stories to the best of our ability and we have enjoyed every minute of it. We hope you have, too.

I wish to take this opportunity to thank my editorial staff for the hard work that they have put in for me all through the year.

One other group of people remain to be remembered, without them the paper would never have come out. I mean our backshop crew to whom all of you owe a vote of thanks for a job well done.

Hatters Shake Off Early Defeats

In Stirring Finish to '55 Football Season

Feeling their way through the first half of the year, the Hatters could manage only one win in five meetings. Inconsistency of both defensive line and backfield earmarked Stetson play and accounted for the disheartening losses. Aerial attacks by Wofford and Davidson took advantage of an imperfect pass defense, while swift Tampa backs slipped past the linemen. At the same time, the Hats showed flashes of offensive strength of their own.

Although an underdog in their last three games, the Hatters gave fans something to buzz about in drawing with both Presbyterian and Newberry and in blanking Mississippi College 25-0 at Homecoming. Spirited effort of both men and coaches put the team in top physical condition for these contests, enabling it to perform as one unit.

With the valiant action demonstrated in the last three encounters, the Stetson Hatters concluded the season with a

2-4-2 record.

The problem of inexperience as evidenced on this year's squad with only five seniors playing must surely strike Head Coach Herb McQuillan next fall, for he has merely eight juniors in the whole lineup. He and his staff of assistant coaches, Joe Berry and Buddy Asher, will be hard pressed to manufacture eleven battle-scarred veterans before the 1956 opening whistle.

Five young warriors who completed their tour of duty in collegiate football arenas last fall are graduating seniors Earl Looman, Gene Stephenson, Nick Colantuono, Fred Driver, Doyle West, and Harold McNeill.

Looman, who played previously for Stetson before he entered military service, was named to the Little All-American team in 1955. During the season, his teammate, Dick Saltrick, a sophomore, was voted Back of the Week by Florida sports-writers.

MOODY FACES OF THIS GROUP around Head Coach McQuillan don't reflect the Hatter homecoming triumph over Mississippi College, 25-0, taking place on the field. They are Judge Tom Schring, of the Law School; Assistant Coach Joe Berry, McQuillan and center Jimmy Hawk. Only member of the coaching staff not pictured is Buddy Asher.

On the road for their first two games, the Hatters were unable to find the right offensive combination and were edged by a good Northwestern Louisiana team 7-0. The game served as a means to find gaps in the defense and to close them before a better team took advantage of such faults.

Unfortunately, the Wofford Terriers, who engaged the Hats next, hit much harder and from several directions, both air and ground. They amassed 88 yards through the air, led 14-0 at the half and then added another score on a pass in the third quarter. Stetson's only points were picked up in the last period by halfback Sonny Parker, making the final score 6-22.

STETSON HALFBACK NICK COLANTUONO (with ball) smashes through the Tampa line after a hole is opened by tackle Doyle West (86) and guards Vic Muzii (73) and Dominick Anile (76). Also in this play is end Buddy McLin (95).

HATTERS OUTPLAY TROY; LOSE TO STRONG TAMPANS

After one quick goal the first time they received the football, the Hatters were held by Troy, who displayed alert goal line defenses the rest of the game. Freshman halfback Walter Mosley end the the 62-yard first quarter drive with a 3-yard plunge. Quarterback Dick Saltrick passed to Halfback Bobby Carter for the extra point. Troy's touchdown attempts were foiled, but gaps in Stetson's defense allowed the Red Wave to pick up 159 yards on the ground and 70 by passes.

The Tampa Spartans mastered the Green and White easily on two TD passes and four scoring runs by the swift backs for a 13-10 win. Stetson found it impossible to drive inside the opponent's 20-yard line until the fourth quarter when dashes by Saltrick and halfback Nick Colantuono advanced the ball to the Tampa 23. Colantuono then scored in one play, fullback Boyd Hildebrand kicking the point after. Colantuono again tallied after a pass interception and return of 37 yards by halfback Ray Henry moved the ball into Spartan territory.

LINEBACKER LARRY HERZIG (11) and end Tom Allerton (93) close in on a Wofford ball-carrier as end Keith Shamrock (91) rushes up to the play.

QUARTERBACK JACK WUENSCHIEL ekes out an extra inch against Tampa, who won 40-13. **J. L. Tyra (80)** moves into the play.

Still shaky from the Tampa loss, the Hatters were unable to contain the Wildcat attack, succumbing 13-25. In their fourth defeat of the year, the Stetsonites nevertheless let it be known that they, too, were a scoring threat by adding two more touchdowns to their season's total.

The Hats held the home crowd in suspense for over three quarters in the Presbyterian game before they knotted the score at 6-6 in the final period. After allowing a touchdown run on the opening kickoff, Stetson stiffened and outplayed the Blue Stockings the rest of the way. Nick Colantuono topped off the 39-yard march in the fourth quarter with a 2-yard touchdown smash off right tackle.

HATTERS MATCH POINTS WITH NEWBERRY INDIANS

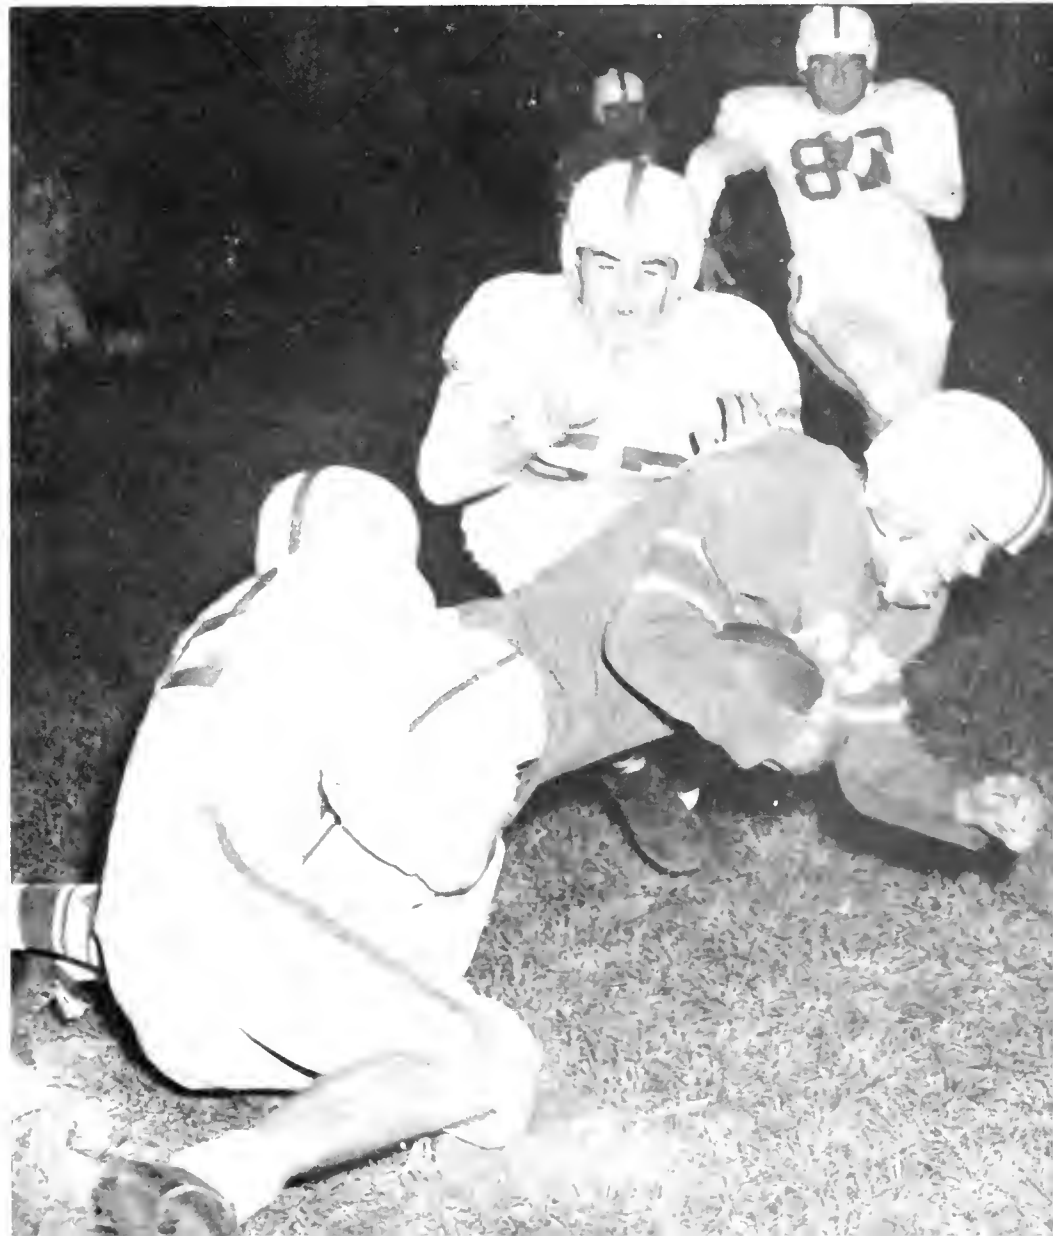

By their seventh game, the Hatters had developed a poise and wariness which made them a dangerous foe. They caught a favored Newberry team off balance and struck for a 12-12 tie. Except for a lapse in the second quarter, Stetson stopped the Newberry backs on offense for three periods. The Hats went into the lead in the opening quarter after Nick Colantuono ran back an intercepted pass 34 yards to the 6-yard marker. The Stetson line pushed the Indians to the the one-foot point from which quarterback Dick Saltrick slipped into the end zone on a sneak.

Trailing 12-6 at the half, the Hatters took the second half kickoff and ground out 70 yards in nine plays for their last touchdown. The key play in the series was a 37-yard spurt by freshman halfback Bobby Ross. Runs by Colantuono and Ross placed the football several yards from the goal line. Saltrick carrying it over on an end sweep for the 12-12 tie.

The defensive line and backs of the Hatters must be given credit for this moral victory. They repeatedly stalled Newberry's ground game and harassed the passing offense.

HOMECOMING: HATS TOPPLE CHOCTAWS IN 25-0 UPSET!

The Hatters reached their peak at Homecoming, overpowering the favored Mississippi College Choctaws 25-0 in sunlit Municipal Stadium. Coach Herb McQuillan directed his men to a sparkling season finale, while graduating seniors Looman, Gene Stephenson, Fred Driver, Doyle West and Nick Colantuono contributed their best to the win.

PASS RECEIVER GENE STEPHENSON speeds to the 3-yard line after a key block by Buddy McLin (95).

Moving 73 yards with the kickoff, Stetson took an early 7-0 lead. Gains by Frank Singeltary and Colantuono set the stage for a crowd-pleasing 57-yard pass play in which Stephenson, shaken free by a tigerish Hatter line, bolted to the 3-yard line. The touchdown slash by Saltrick, who also ran for the point after, came anti-climatically. He again scored in the second period. Stephenson flashing 31 yards to set the ball up.

With the score 13-0 at halftime, Ray Henry streaked 71 yards to score in the third and Jack Wuenschel sailed over on a 31-yard option play for the final points.

SALTRICK DIVES OVER for a score again, aided by Terry Hollingsworth (71), Looman (81) and Jimmy Hawk (57).

WARREN C. "BRADY" COWELL, a familiar figure at Stetson for twenty-one years as coach, teacher, and now Director of Athletics, grins despite the pressing duties of his office.

WOMEN HAVE FOUND working on the trampoline one of the most entertaining sports in the gym.

Embodying the spirit of health, sportsmanship, and fellowship, recreation provides for the physical and social development of young women and men. Its purpose is to develop the one thing upon which nearly all other aspects of life are dependent—a strong and efficient body. This aim is carried out not only through sports, but an excellent intramural program for all students of the University.

Creating opportunities for students to use their talents and acquire practical experience in their vocations; the organizations on campus benefit both University and student.

The Student Government Association is comprised of all students. Its object is to represent and further the best interests of the student body and of Stetson University, to coordinate the various student organizations, and to cooperate with the University authorities for the common good of the institution. Under the Student Government Association each College and School of the University has its separate organization.

The S. G. A. is the core of the school-sponsored activities. It is responsible for Homecoming, Hatter Holiday, and campus elections.

The Stetson social calendar was enlarged this year to feature the FSU Flying Circus, through the efforts of Social Vice President Joe Rhodes.

All in all it was a progressive year for the S. G. A.

The S Club is an organization of varsity lettermen. Its purpose is to encourage sportsmanship, to develop scholarship, and to promote a spirit of cooperation among athletes, other students, and faculty.

The S Club has contributed much to the campus. They furnish the students with programs at the football and basketball games. They installed a scoreboard in the new armory and have put an intramural board in front of the soda shop. They

furnished the cheerleaders with new uniforms and have put on several outstanding social events.

During the Green Feather Drive the S Club raised more money than any other organization on the campus. They collected money from all cars that passed through DeLand. Over five hundred dollars was collected.

The freshmen are welcomed to the campus by the S Club. Rat Week is something that we all remember and is handled very well by the S Club.

PI KAPPA ALPHA

On March 31, 1951, Pi Kappa Alpha, founded in 1868 at the University of Virginia, welcomed the Delta Upsilon Chapter into the national organization.

The founders who chose the Lily of the Valley as their flower also established the goal of the fraternity, that of trying to promote high ideals of American manhood in its members.

The Pikes "go native" in the spring with their "Bahama Weekend." Clad in tropical clothing, they assume all the fes-

tivities of a real vacation in the Caribbean. The Dream Girl of PiKA, who now is June Barry, is selected during the big Saturday night dance.

Another group tradition is the annual Founders' Day Banquet, held each year on March 2.

Local members holding campus fame are Frank Slaughter, President of the Inter-Fraternity Council, and Ed Houston, Chairman of the Rules and Procedures Committee.

SIGMA PHI EPSILON

On February 12, 1919, Florida Beta united with 131 other Sig Ep Chapters to become a part of the national organization which was founded by twelve students at Richmond College, Richmond, Virginia, on November 1, 1901.

Dean E. C. Furlong, Dr. John V. Vaughan, Representative Bill Matthews, the late Governor Dan McCarty, and Ben Hibbs, editor of the *Saturday Evening Post* are several of the famous men who acknowledge the violets and American Beauty rose as their fraternity flower.

A highlight of the Sig Ep's social season is their annual Queen of Heart's Ball, held in February. The Founders' Day Banquet and the fraternity parties supplement the social cal-

endar. Florida Beta played host for the Florida Chapters' meeting with their District Governor. Joe Crankshaw was spotlighted in the National Sig Ep magazine as one of the outstanding speakers at the 25th Grand Chapter Conclave in Cincinnati, Ohio.

In the intramural line, the Sig Eps won the 1955 horseshoe trophy for the second consecutive year; also they were awarded the Foster-Whitaker Athletic Achievement Trophy. Sig Eps holding campus positions include: T. K. Hedrick, I. F. C. Secretary; Joe Crankshaw, REPORTER Editor; Frank Hathaway, Chairman of Traffic Committee, and Pledge Tom Kuhn, REPORTER Sports Editor.

ALPHA XI DELTA

Alpha Xi Delta was founded at Lombard College, Galesburg, Illinois, on April 17, 1893. The founders chose the golden quill to wear over their hearts and the pink Killarney rose for the fraternity flower and the colors, double blue and gold. Outstanding alums include: Katherine Chase Goodrich, author of "Uncle Walt and Skeeze" and "The Romance of Helen Trent"; Martha MacDowell, assistant merchandising editor of *Mademoiselle*; Nancy Sasser, author of the syndicated column, *Buy-Lines*; and Emmy Lou Cairns, assistant to the eminent Diego Rivera.

Here at Stetson, Omega Chapter has its share of beauty, brains and leadership. Ruth Toggweiler was Miss Stetson 1955; Military Ball Queen Sue Ferrell is also SGA Vice President. The Honor claims Ruth Harting, Sue Reynolds, and Sue Ferrell; Cheerleader, Barbara Wodischek; Majorette, Pat Parrish. Dale Lauder keeps the news up to date with her column in the *REPORTER* called "Hatter Chatter" and serves as president of La Franciade. Alpha Xi's took the Hatter Holiday trophy along with the Inter-Frat Sing and second place in scholarship. Four members, Carolyn McMullen, Sue Reynolds, Dale Lander, and Sue Ferrell, were elected to Who's Who.

DELTA DELTA DELTA

Delta Delta Delta, founded on Thanksgiving Eve in 1883 at Boston University, is organized to establish a perpetual bond of friendship among its members and to help develop a more womanly character in its members. The same founding group also chose the stars and crescent as the emblem, and motto since made sacred to Tri Deltas all over the world: "Let us steadfastly love one another."

Alpha Delta Chapter, the first Tri Delt chapter established in this state, is one of 99 collegiate chapters today.

Among the many honors achieved by Stetson Tri Deltas are Donna Roe wielding the gavel over the Women's Executive Council and Pan-Hellenic Council; Caroline McInnis, Veep

of the Women's Executive Council and R. O. T. C. Sponsor; Jenny Lu Steinkamp, Prexy of North Hall, Future Teachers and a vivacious cheerleader. These three were also honored by being named to "Who's Who."

Alpha Delta Chapter members are not only noted for their leadership qualities but also for their scholastic achievements. They ranked first in scholarship for 1954-1955.

Peggy Livingston, well known in many of Stetson's activities, won the award for having the highest scholastic average of any Sophomore last year, and in the fall of 1955 she represented Stetson at American University in Washington, D. C.

Each year the chapter awards a scholarship to a deserving girl in the University.

PHI MU

In March, 1919, the Alpha Xi Chapter joined the ranks of Phi Mu, which have grown to include 70 chapters. The Phi Mu Fraternity was founded in March, 1852, in Macon, Georgia. Organized to follow a purpose which is social, spiritual, and fraternal, the Phi Mu's chose the enchantress carnation as their flower, and state their motto as "Les Soeurs Fideles."

Our charitable project is an Easter party for needy children. Joan Hodges, Rae Jean Casciola, and Joan Rousseau are sparkling additions to the half-time shows in football season. Donna Carroll you will find in Stover Theater taking part in several of the plays. Marlene Lackman works on the RE PORTER Staff.

PI BETA PHI

Pi Beta Phi was first established as a national sorority in 1867, founded by a group of women at Monmouth College in Monmouth, Illinois. The Florida Alpha Chapter was the first Greek social group to make its appearance on Stetson's campus organizing in May of 1913. Pi Phi is the oldest and largest national sorority, having over 51,000 living members and 102 active chapters. The sorority established and maintains as a national philanthropic project the Settlement School for Underprivileged in Gatlinburg, Tenn.

On Stetson's campus the wearers of the Pi Phi arrow are proud of their achievements and their representation in all phases of campus life. Betty Jane Flood holds the office of Secretary of the Student Government Association; Willabeth

Peck, Treasurer of the Sophomore Class, was named Outstanding Freshman Woman last year; June Barry, who heads the Majorette Corps, was chosen Dream Girl of Pi Kappa Alpha in 1955; Martha Jane Singeltary, an Honor Member, is assistant Editor of the HATTER; Ann Whitaker is a member of the Honor; Janet Greene, Marion Sternberg, and Lynn Ezell lead Stetson cheers; Pat Figuero is Treasurer of the Music School; Merrill Maguire was elected Secretary of the Sophomore Class; and Pi Phi President Joanne Motes holds also the presidency of the Honor, election to Who's Who in American Colleges and Universities, and the title of Homecoming Hostess. The most recent additions to the Phi Society from Pi Beta Phi Fraternity were Joan Cromer, and Mary Lane Weaver.

ZETA TAU ALPHA

Zeta Tau Alpha was founded at Longwood College, Farmville, Virginia, in 1898. Beta Psi Chapter was organized on the Stetson campus in 1931 and today there are 105 chapters in the United States and Canada.

In addition to having a beautifully redecorated apartment, the Zeta's are proud of the achievement plaque which was awarded to Beta Psi for being the most outstanding chapter in the province. An outstanding event of the year was the visit of Mrs. Elliot Chapman, national president of Zeta Tau Alpha. Beta Psi initiated Mrs. R. B. Hall of the Stetson faculty earlier in the year.

The Christmas spirit was truly enriched this year at the party which was given for underprivileged children. The spirit

of fun was present at the party which Zeta gave for all sororities and fraternities at DeLeon Springs. Barbara Jones and Vickie Anderson have been busy throughout the year with the Stover Theatre plays.

Louise Smart and Mary Ross Anderson received scholarships for having the highest averages in the Freshman and Junior classes respectively. Caryl Anderson, who became a member of the Honor, was elected Secretary of the Business School.

The outstanding social event of the year for the Zetas was the annual Madri Gras weekend. Dean Etter Turner of Stetson and Faith Baldwin are just two of the prominent women who are proud possessors of the Zeta Tau Alpha badge.

Grand Finale

Many hours of toil by the members of Stover Theater brought forth fine performances this year. Under the direction of Dr. O. G. Brockett, the work on costumes, make-up, scene painting, and rehearsals resulted in the final product a wonderful performance.

Enjoyed by many this year were the outstanding presentations "Sabrina Fair"; "Media"; "The Red Mill," staged by the Music School; and "Much Ado About Nothing."

Hours of rehearsal and individual study resulted in bringing each performance to perfection as "the show goes on."

Lecturers and artists, representing many fields, were received at Stetson with great interest this year, under the sponsorship of the Fine Arts Committee, headed by Roger Cushman.

Noted architect Francis Walton, Daytona Beach, was the first lecturer. Next, Gordon Hendricks, critic, commented on famed motion pictures, giving examples of films. The Florida Symphony Orchestra, conducted by Frank Miller, presented an outstanding performance, followed by a concert of the Julliard String Quartet, New York.

Dr. A. Didier Gralle of the University of Florida, revealed the beauties of Japanese art to students in lectures. The final programs were led by James L. Dickey, poet, author and lecturer.

RESERVE OFFICERS'

The military, known to most of the University as the R. O. T. C., prepares the men of the University to defend our country while they work for their diplomas.

Realizing that the defense of the nation is everyone's responsibility, the men of the corps work to become well acquainted with all phases of warfare. The R. O. T. C. program teaches the men the skills of leadership and instills in them the qualities of courage, fidelity, and knowledge.

With an excellent opportunity for practical experience on the

drill field and at summer camp, the Reserve Officers' Training Corps has become the nation's chief source of obtaining young officers.

The men in R. O. T. C. learn to work together as a team and to accept their fellow cadets and officers for what they are.

The R. O. T. C. furnishes the Stetson men with a well rounded program of physical, scholastic, and mental training that will prepare them to face the future with security and faith.
